

racksack® clear Waste Segregation

racksack® clear

Features and Benefits

- Easy collection of waste
- Make it clear to see what's in your racksack®
- Enhance security measures to prevent theft
- 10 standard waste designs available
- Premium clear front with blue backing
- Other designs and special prints such as logos available

The clear racksack® range gives warehouses the transparency they need when segregating waste and recycling.

Made from tough waterproof polyester, the racksack can withstand the rigours of an industrial environment. Three strong handles are woven into the edge of the sack, one on each side for carrying and one on the base, so the sack can be easily emptied.
